

# WOFAPS 2013 PEDO SURGEONS' MEMBER ASSOCIATIONS

**Compiled from WOFAPS member page:**

<http://www.wofaps.org/wofaps-membership>

**Note:** Attribution of countries to continents according to WOFAPS member page, if a country is not listed where expected, please search entire list for county name.

**Additional infos (e.g. emails) available on WOFAPS member page:**

→ by clicking on one continent on the map, a list of represented countries appears below the map. By clicking on the country name, more details pop up, sometimes incl. contacts of board members, with emails perhaps revealing their hospitals.

**Practical research tip:** The busiest intersex mutilators usually aren't associations board members, so we recommend first searching for regional major pediatric clinics with dedicated pedo endocrine and pedo surgeon departements to nail the major surgeon perpetrators and their clinics, and thereafter tying these to WOFAPS member organisations (via this list) and the '4<sup>th</sup> World Conference' (via the programme) in a sccond step.
